

The RESP that does more

Our family accompanying services

Opening an RESP with Kaleido gives you exclusive access to many perks for your entire family, for free or at preferential rates from our qualified partners.¹ That's right: An RESP that does more!

Family finances

Tools and tips to guide you through the world of finances with **budgeting, taxes, investments and insurance.**

Tutoring and academic support

Homework help, speech therapy, language stimulation, remedial education, summer school, etc. **All this to help your child learn.**

Career guidance

Discounted consultations, tools and guidance **podcasts to help your teens make informed choices.**

Coaching and family life

Screen-time management, anxiety, routine and education: **Tips and tools for dealing with everyday challenges.**

Health and well-being

Videos and tools on healthy eating habits and access to an online workout platform.

NOTES: ¹. Some conditions and limitations apply. The promotions, benefits, and other advantages of the family accompanying services are subject to change without notice and may not be available in certain areas. See the terms of use.
